Description

Grant Notes

SRP believes in a sustainable and vibrant future for us all, which is why we proudly support local nonprofits working to strengthen our communities. We provide volunteers for community events, as well as monetary assistance through the following giving priorities: basic needs, community education, and community enrichment. Under no circumstances will SRP donate service (water or electricity), equipment or services for which a fee is normally charged.

Grant Priorities

Arts and culture; performing arts; museums; civic affairs; leadership programs; math and science education, support for programs that provide teachers with resources to better teach math and science; environmental conservation and preservation; air quality programs, water resource management programs; energy conservation programs; social services; programs for children and youth; youth development programs; programs for families; programs for minorities; food programs; housing and shelter programs; programs to promote self-sufficiency; programs for the elderly
