Description

Grant Notes

Welcome to the Clif Family Foundation, an organization we started in 2006 to support small-to-midsize grassroots groups led by people whose vision and commitment we deeply admire. We have been proud to support hundreds of organizations that are working tirelessly to strengthen our food system, advance equitable community health outcomes, and protect the places we play by being stewards of our environment and natural resources. Our desire has been to leave the world a better place for our children.

Grant Priorities

Civic affairs; bicycle trail programs; environmental conservation and preservation; clean water programs; climate change initiatives; preservation of wild, open places; reducing waste and advancing renewable energy conserves resources
